

Beyond Neurotypical Norms

Towards Intersectional Inclusion for Neurodivergent, Queer, Disabled and Marginalised Communities at LCC.

Call for Participation

You are invited to take part in a **student-only** Special Interest Group - a safer, peer-led space centering marginalised students and allies including neurodivergent, disabled, queer, black, brown, and other underrepresented communities committed to fostering and shaping inclusion at LCC.

Together we'll co-create knowledge, share lived experiences, challenge institutional injustice and explore barriers and enablers to inclusion at LCC. BA and MA students welcome. We aim to create a safe, respectful environment where students voice matters.

 18 February 2026

 LCC Room tbc

 Time: 14:30-16:15 (breaks included)

 £5 canteen or Typo cafe voucher for participants

What to expect
